Re: BI Murphy Program: Murphy's Story point 17,  
Murphy Legal Program: Eventuality 1 & 2 targets  
2, 4, 6

Dear Mo,

Situation: In reviewing the data I would like to propose a change in the above targets.

Data: Murphy and his friend relationship per earlier lines laid down to opposition supervisors has been that they were not tight friends. And this is also laid out in the story, also.

The fact that they weren't makes it apparently a bit outpointy that he would contact his friend and not his family or wife first. The idea is that he contact his wife first and learn about the D of P scene. This would be a more natural occurrence, and more natural in the eyes of the D or P and opposition supervisors.

Attached is proposed target changes.

Solution: Approve this CSW and route the terminals involved the target changes. DGL WW to be info'd of the change.
